

Certificate of conformity of the factory production control

1608 CPR P186

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product:

Steel structural components

whose characteristics are detailed in the attached annex,

produced by or for

Acofer Prodotti Siderurgici Srl

Via Diaz, 248 - 25010 S. Zeno Naviglio BS - IT

and produced in the manufacturing plant(s)

S. Giovanni Valdarno AR-IT; Nave BS-IT

This certificate attests that all provisions concerning the assessment and verification of performance described in Annex ZA of the standard

EN 1090-1:2009+A1:2011

under system 2+ are applied and that

the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on **25/11/2016** and will remain valid as long as the test method and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product and the manufacturing conditions in the plant are not modified significantly.

Current issue: **24/10/2018**

The Director
Ing. Dario Agalbato

APPENDIX TO CERTIFICATE **1608 CPR P186**

Steel structural components in accordance to EN 1090-1

Product name	Standard	Steel grades	Class of execution	Delivery condition
Structural components for general purpose	EN 1090-2	EN 10025-2: S235JR, S235J0, S235J2 S275JR, S275J0, S275J2 S355JR, S355J0, S355J2 EN 10025-5: S355J0W, S355J2W, S355J0WP	EXC1 - EXC2	According to customer specification
